Industry Engagement
October 2025

States of Guernsey

Welcome to the Industry Briefing Series

This information pack has been prepared to support your participation in the upcoming engagement series, designed to gather input from industry representatives.

The insights shared during these sessions will help inform decision makers as they assess how proposed tax reform policies may affect businesses.

In October 2025, the focus will be on specific industries. Other sectors will follow in Q1 2026.

The materials provided are intended to help you prepare for constructive and informed discussions.

All topics will be discussed in more detail during the sessions.

Rob Fox
Subject Matter Expert

The Policy & Resources Committee, with Employment & Social Security, has been asked to prepare legislation for a new tax package. Key elements include:

A new 15% lower income tax band

Restructured social security contributions

A 5% Goods and Services Tax (GST), plus support measures

Accounting for inflationary impacts

If GST Plus is introduced, what do we need to do?

They'll also adjust thresholds for inflation and explore whether food should be taxed or zero-rated under GST.
